

# VERIZON SMALL BUSINESS DIGITAL READY PROGRAM

We are exactly what you need to help your small business!

## ABOUT US

Verizon offers free tools, resources, and training to help business owners improve their digital skills. This includes things like learning how to use social media, setting up an online store, and understanding digital marketing. The program also provides access to expert advice and a community of other small business owners. It's all about making it easier for businesses to navigate the digital world and reach more customers.
