Safe, Healthy & Inclusive Places

Matt Perkins, Program Director, LISC Safety & Justice

LISC Safety & Justice

Since 1994, we have provided grants and training and technical assistance to 100+ communities with outcomes in these areas:

- Reduced crime
- Reduced blight
- Stronger collective voice for residents
- Increased collaboration between community and local law enforcement
- Sharing of tools and lessons learned from successful community-oriented crime reduction programs

In addition to supporting the RVCRI program, our team serves as the Training & Technical Assistance (TTA) provider for <u>School-Based Violence Reduction Programs</u> in partnership with the Office of Juvenile Justice and Delinquency Prevention (OJJDP) and serves in a collaborative TTA partnership for the <u>Community-Based Violence Intervention & Prevention Initiative (CVIPI)</u>.

The Importance of Place

- 41% of abandoned buildings could be entered without the use of force
- 83% showed evidence of criminal activity

VACANT PROPERTIES-THE TRUE COSTS TO COMMUNITIES

Costs to the city include:

- Board ups
- PD calls for service
- Decrease in tax revenue
- Negative impact on neighboring properties
- Perceptions of safety by residents, customers, business owners

MAIN STREET AMERICA

Main Street America" refers to a national movement focused on revitalizing and strengthening the core commercial districts, or "Main Streets," of communities across the United States, with the belief that a community's vitality is directly tied to the health of its central area, hence the saying "a community is only as strong as its core

WHAT WE ARE SEEING

Illegal Dumping

Vandalism

HOW CAN POLICE DEPARTMENTS WITH LIMITED RESOURCES REDUCE CRIME?

Strategies that subconsciously reduces crime:

- Clean it up! Take pride in the space.
- Increase lighting.
- Watch, or give the appearance that someone is watching.
- Partner with organizations to support a regular schedule of positive activities/events.
- Partnerships.
