Tools to Guide Sustainability Planning

CYVP Goals:

- Reduce the incidence of school violence through accountability efforts for offenders
- Respond to victimization, exposure to violence, and trauma as a result of violence that occurs in the school, community, or family
- Improve school safety and climate
- Prevent violence, delinquency, and victimization in your designated community

Today's Webinar Objectives:

- Learn more about various funding opportunities and how key words, requirements, and review structures can improve grant writing.
- Increase your effectiveness using qualitative and quantitative data to tell the impact of staff/programmatic efforts you look to sustain.
- Identify key policy and budget decision-makers, advocates and stakeholders in your schools and community that should be regularly engaged as part of program sustainability planning.
