Capital Partnership for Affordable Renovation (CPAR) Term Sheet

**Program
Description**

HPD's Capital Partnership for Affordable Renovation (CPAR) loan program is a low-interest loan program for multifamily building owners requiring moderate rehabilitation work.

On behalf of HPD, participating Lenders will evaluate projects for eligibility and feasibility, conduct all underwriting and other analyses, and prepare the necessary documentation for submission and approval by HPD. HPD will review the loan packages for compliance, conduct certain due diligence and ensure all necessary approvals, for the Lender to close the loan.

While the Lender will be responsible for gathering certain necessary documentation, HPD will be responsible for reviewing those documents and providing final project approval. Participating Lenders must enter into an MOU with HPD to be a Lender in this program. All Lenders listed in this term sheet have entered into an MOU and are authorized to be a CPAR entity. For Lenders interested in participating in the program, please contact **CPARloans@hpd.nyc.gov**.
